### Message From the Principal

*WOW! How did the first month of school pass so quickly? So many fantastic things have happened so far. We have enjoyed having the students back on campus and seeing their wonderful, smiling faces. There are wonderful things happening in the classrooms and so much learning happening. Parent - Teacher conferences are this month, and mid-quarter grades will be going home. Don't forget to sign up for conferences so that teachers can share all the great things your children are participating in. I appreciate all of our families' support in creating a supportive environment for our students. We could not do it without our families' support! You are our ACE of hearts!*

*Thank you, Mrs. Wheeler*

# MAKE BREAKFAST FIRST CLASS

Not all children eat breakfast and those who do have improved moods and increased alertness throughout the morning.

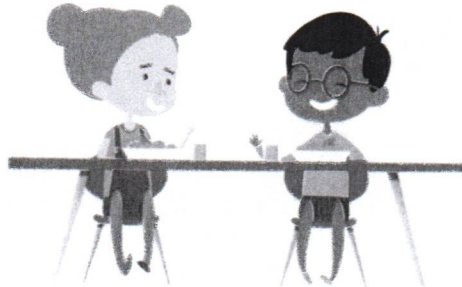

Children and adolescents who eat a **protein-rich** breakfast report **lower** hunger for up to 4 hours.

More children participate in school lunch than school breakfast.

In the National School Lunch Program,

# 30 million

children participate across 97,000 schools and institutions

But in the School Breakfast Program, only

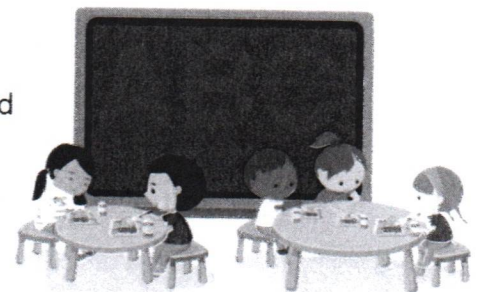

# 15 million

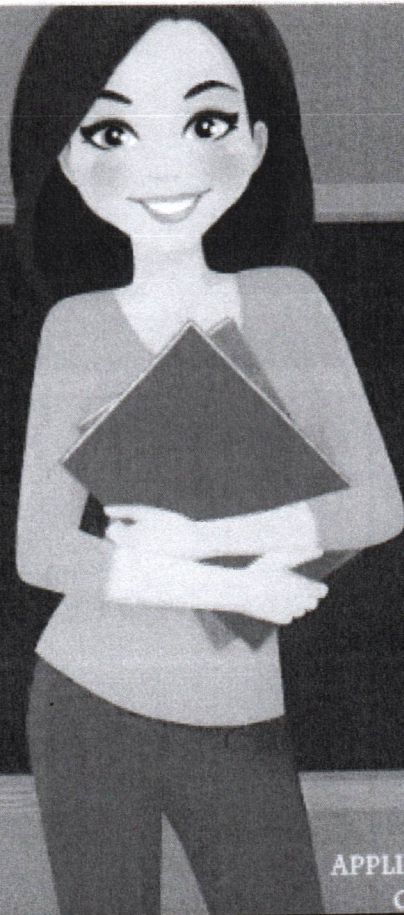

children participate across 91,000 schools and institutions

On average, students who participate in the **School Breakfast Program** eat a breakfast of **higher nutritional quality** than students who eat breakfast elsewhere.

More children participate in the **School Breakfast Program** if it is offered in the **classroom**. About **2 in 5 (42%)** students who never participate in the **School Breakfast Program** say they would participate if offered breakfast in the classroom.
