**FAX 928-567-5347**

March 28, 2024

To whom it may concern:

Beaver Creek School District is currently accepting hourly rate bids for the 24-25 school year for the following:

**Physical Therapy** – Currently there are 3 students identified for the FY25 at an average total of 70 minutes per month.

**Occupational Therapy** - 29 students averaging 90 minutes per month.

**Speech Therapy** - 34 students currently 3 days per week average 30 minutes per week. In addition, there may be possible participation in Child Find activities **at least** 2 times per year.

**School Psychologist** – Psycho Educational Evaluations – Currently there are 8 students with METs expiring during the year. The district anticipates 10-12 additional initial evaluations. In addition, there may be possible participation in Child Find activities **at least** 2 times per year.

Additionally, therapists will need to quote for Medicaid billing, other IEP and MET required paperwork and attendance at IEP/MET meetings and consultation as appropriate.

When looking at possible vendors, cost is a large factor, however in our small rural district we will also be considering proximity to our location, on site services vs. tele med, and understanding of our small but diverse community.

Please let me know what other information you require to complete your quote.

If you are interested, please provide a quote by April 26, 2024.
