Message from Principal Wheeler

Happy Spring! We are so excited to share our campus updates with our families later this month at the Spring Fling on April 19! Construction is mostly finished and the new grass has gone in or been planted. With all the rain, and hopefully warmer weather soon, we should have a beautiful campus in no time! Our students and teachers are finishing up teaching state standards and reviewing for state and district testing this month and early next month. K-5 are busy rehearsing for the spring concert (in May) and kinder and 8th grade are busy planning for promotion. Some of our end of year field trips will begin this month and we are so excited to be able to send 6th and 7th grade to Camp Colton in Flagstaff early in May. A lot of planning and dedication from our staff and our families to make all these field trips and fun happen. This month will go quickly and we are looking forward to our many celebrations over the next two months. As always, we are grateful for the efforts and dedication from our wonderful staff!

Mrs. Wheeler
