Message from the Principal/Superintendent

Happy 113 birthday, Arizona!

The month of February is our celebration of ♥ and our families as our Ace of Hearts! It's hard to believe we're already over halfway through the school year. As we move into the second month of 2025, I want to share some exciting updates and reminders about what's happening at our school. Science Fair Night 2/20 with our annual \$1 per family dinner! Our basketball teams have been working hard and showing great sportsmanship. Go Bobcats! Congratulations to all our Spelling Bee participants, especially our school champion who will move on to the county competition. We have an exciting month ahead filled with learning and events for all grade levels. Parent-Teacher Conferences (Feb. 3-7): Conferences will be held to discuss your child's progress. Sign up information has been sent home. Students are welcome to bring valentines to share with their classmates, per classroom guidance. Please remember our school's wellness policy when sending treats. 8th Grade Parents, our high school tours and conversations begin this month!

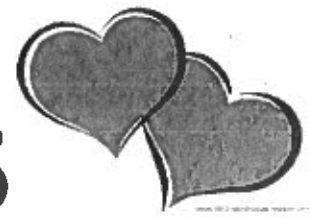

Thank You, Families. We are excited to share these events with you!
