Beaver Creek School District is accepting quotes for fuel sales and supplies(DEF) including delivery services for the upcoming fiscal years of 2025/2026 and 2026/2027.

Beaver Creek School located in Rimrock Az currently has one diesel tank and one unleaded tank. Both tanks are stored above ground and are not owned by the district. The vendor chosen will be required to supply & install 2 fuel tanks.

Requests for deliveries will be on an as needed basis.

Prices quoted shall include all charges for fuel, supplies, handling, travel, federal & state taxes, set-up and take down of tanks, and tank rental fees if applicable.

The district's average consumption of diesel for a two year period was 3500 gallons, for unleaded 1800 gallons. The average consumption of DEF was 20 cases.

Cost, geographic proximity to the school site and previous trade relationships will be determining factors for quote acceptance.

If interested, please complete and return page 2 no later than June 1st, 2025. No verbal quotes will be accepted.

For questions contact Karen DuFresne at 928-567-4631.
