Approval of the Proposed Budget for FY26.** Since the FY26 State budget has not passed, ADE School Finance and the Arizona Auditor General published preliminary budget forms to allow district to plan budget preparation processes and governing board meetings. The preliminary budget forms do not include routine annual changes such as inflation and do not anticipate any other changes to State law. Final budget forms will be published shortly after final changes in State law are known. The district will propose and adopt on the preliminary forms and present a revision with the final forms before September 15 as required. The Public Hearing for the FY26 Budget will be July 10, 2025 at 6:00PM.

Designating students who are Kindergarten age (5 by September 1), enrolled in a full day kindergarten program, and have a B SPED disability as UE effectively doubles the funding creating a fiscal impact that is significant.

- c. **Approval of the annual contract with Rise Resource Center.** Rise is providing special education for students whose disability and behaviors warrant private placement as decided by the school team and parents.

The Trust advises that our district update staff training and student handbooks to incorporate the new requirements prior to the start of the 2025-2026 school year.
