Message from the Principal

What an amazing 3rd quarter we have had! Can you believe it is already March and Spring Break will be here in a second? We had a very successful end to our 5-8 grade basketball season. The boys 7 & 8 team placed first in the Verde Valley and second at the Small Schools State Tournament, with an ending record of 23 & 1. We look forward to our staff vs. 8th grade game! Jr. Basketball had a great first couple of games and we are so excited for this season. We are so LUCKY we have such amazing parents to volunteer to coach. Soccer & softball season has started and we can't wait to see how our teams will grow. Thank you for all the families and staff that participated in our annual STEM Extravaganza and made it so successful! You are all so amazing! We are looking forward to all the fun in our next quarter and hopefully some warmer weather.

Mrs. Wheeler

Happy Birthday, Dr. Seuss!

Saturday, March 2nd is Dr. Seuss's Birthday. We will celebrate his birthday on Monday, March 4, with a school wide read-a-thon

Library:

If you want your child to go to the Library after school you need to call the office. We will only accept 4 students and it will be on a first come basis.

HANG LOOSE WITH A HEALTHY START!

At SNA, we believe in kicking the day off right, and that's why we make a splash every year during **National School Breakfast Week (NSBW)**. It's our way of urging school nutrition professionals nationwide to ride the wave of a healthy start and the importance of fueling young minds for academic success.

DID YOU KNOW?

THAT CHILDREN WHO FUEL UP WITH BREAKFAST ARE MORE LIKELY TO:

Attain higher levels of achievement in subjects such as reading and math

Achieve higher scores on standardized tests

Maintain a healthy weight

Exhibit improved concentration, alertness, comprehension and memory

Have reduced absenteeism and tardiness

Improve their classroom behavior

The **School Breakfast Program** serves **14.7 million students** each school day in approximately **90,000 schools nationwide**. These breakfasts are not just your average fare—they tend to be **more nutritious than the average breakfast** a child gets from home or a convenient fast-food restaurant.

So, let's hang loose and celebrate the power of a **healthy school breakfast**. Join us in ensuring that every child catches the **wave of nourishment**, setting them up for success and learning. **Cowabunga!**

Hope in Bloom
