## Message from the Principal/Superintendent

As we enter the month of March, we find ourselves in a season of growth and renewal. With spring just around the corner, this is a great time for students to reflect on their progress and set goals for the remainder of the school year.

March is also a month full of exciting events and opportunities for learning. We will be hosting our annual read-a-thon on 3/3 in honor of Dr. Seuss birthday! Planning and prep for spring testing, literacy night, several field trips and a wonderful spirit week just before Spring Break! Then we move into planning all our end of the year fun!

As we move closer to the end of the year, I encourage all our students to stay focused, work hard and support each other. Parents (Ace of Hearts!) your involvement makes a difference! Thank you for being part of our school community!

Mrs. Wheeler
