COMMUNITY

Every Wednesday Bread of Life Food Pantry
from 2:00 PM to 5:30 PM at the Baptist Church.

Yavapai County Health Services
Flu Shot Clinic at Beaver Creek School
Oct. 11, 2024 from 10:00 AM to 2:00 PM

If your family lives in any of the following situations:

- ◆ In a Shelter
- ◆ In a motel or campground due to lack of an alternative adequate accommodation
- ◆ In a car, park, abandoned building, bus or train station
- ◆ Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Please contact Sharon Brooks @ the school. 928-567-4631.

Message from Superintendent Wheeler

Happy Fall! Beaver Creek School is excited for the colors changing & the cooler weather. We are working hard to schedule our Fall Festival parent engagement and we are looking forward to enjoying the beautiful weather and all of the fun activities. First quarter report cards will go home with students on 10/23/24. Students worked very hard this quarter. We are proud of you!

Mrs. Wheeler

"As an adult and a Treasure Hunter I am committed to search for all the talents, skills and intelligence that exist in all children and youth. I believe that all children are capable of success...NO Exceptions!"

*-Treasure Hunter's Pledge,
Kids at Hope*

Ace of Hearts - Anchor/Parent:

Responsible for child's physical and emotional well being

24 hours a day, 7 days a week, 365 days a year in an unconditional loving way.

Fall Festival Friday

October 4

FLU VACCINE CLINIC

YAVAPAI
COMMUNITY HEALTH SERVICES

For individuals 6 months and older

The Yavapai County Board of Supervisors encourage you to take advantage of the flu shots being offered in your community by Yavapai County Community Health Services.

Benefits: The annual flu vaccine is the best way to reduce the chances that you will get the seasonal flu and spread it to others. The more people who get vaccinated against the flu, the less the flu will spread throughout the community.

Who Should get the Flu Vaccine: Everyone 6 months or older should receive an annual flu vaccine. Protecting yourself from the flu also protects the people around you who are more vulnerable to serious flu associated illnesses such as: infants, older adults, and anyone with a chronic condition.

Does the Flu Vaccine Work Right Away? No, it takes about two weeks after receiving the flu vaccination for the antibodies to develop in the body and provide protection against the flu. That's why it's better to receive your flu vaccination as soon as available or early in the season.

Beaver Creek School District #26

ANNUAL ASBESTOS NOTIFICATION and COMMUNICATION FOR EMPLOYEES, PARENTS and CONTRACTORS

In compliance with the Asbestos Hazard Emergency Response Act (AHERA) 40CFR 763 subpart E (763.93(e)(10), and the Occupational Safety and Health Administration (OSHA) Asbestos in Construction Standard (29CFR 1926.1101), the Beaver Creek ESD #26 submits the following Annual Asbestos Notification and Communication to inform employees, parents, and contractors conducting work in buildings owned or leased by the district. Information regarding the presence, location, and quantity of asbestos-containing building materials (ACBMs) inside District buildings is summarized as follows:

- The types, location, and amounts of ACBMs in each of the campus school buildings have been updated by Tallpines Environmental Consulting Co. Flagstaff, an independent environmental consultant. The original 1988 & 2012 inspection reports and management plans are archived at the Beaver Creek ESD #26 District Office located on the Beaver Creek School campus. Tallpines' report entitled 2024 AHERA 3-Year Reinspection of the Beaver Creek School, dated June 29, 2024 can be inspected by making an appointment with the school office.
- AHERA 3-Year Reinspections (40CFR 763.85) are meant to address the locations and conditions of friable (easily crushed with hand pressure) and nonfriable ACBMs in a school. If damaged or significantly damaged friable ACBMs are present in a school, the AHERA Management Planner will generate response actions (40CFR 763.90) to protect human health and the environment, and the Beaver Creek ESD #26 shall respond and implement the recommended response actions in a timely manner. The Management Plan (40CFR 763.93) for each school building contains a general inventory, AHERA reports, response actions and implementation, AHERA accreditations, an operations and maintenance (O&M) plan, initial notifications, cost estimations, ongoing record keeping, and annual notifications. The Management Plan has been updated by Tallpines and is available for review.
- The AHERA regulations require schools to "ensure that workers and building occupants, or their legal guardians, are informed at least once each school year regarding inspections, response actions, and post-response action activities including periodic reinspections and surveillances that are planned or in progress" (40CFR 763.84(c)). In addition, ensure that contractors who may come in contact with ACBMs are provided information regarding the locations of ACBMs.

If you have questions regarding this Annual Notification, or other questions or comments regarding ACBMs at your school, please contact Karen DuFresne at Beaver Creek School District at 928-567-4631.
