Dear Preschool Families,

We are committed to providing a high-quality preschool experience that nurtures your child's growth and development. As the costs to run our program continue to rise, we have carefully reviewed the expenses and researched similar programs in the area. Based on this, Beaver Creek Governing Board approved adjusting our preschool tuition to \$20 per day and will begin charging for both 3- and 4-year-old students, beginning in the 2025-2026 school year (August 2025).

Our preschool program is led by a highly qualified early childhood teacher and supported by dedicated staffs that are passionate about creating a safe, engaging, and nurturing learning environment. In addition to a Quality First approved curriculum and quality educational experience, your child receives two nutritious meals and a snack each day.

We understand that tuition increases can be challenging for families. We are actively working toward becoming DES-certified, which may open opportunities for financial assistance. Additionally, we hope to offer scholarships on a needs basis in the future.

Thank you for your continued trust and partnership. If you have any questions or would like to discuss this change further, please feel free to reach out to us.

Thank you,

Mrs. Wheeler
