

Beaver Creek School Preschool Registration & Waitlist

Providing a strong start for lifelong learning

How our waitlist works:

1. Age First:

- Students who are 4 years old or will be starting kindergarten next school year are placed at the top of the list.

2. Date Added Second:

- Within each age group, students are placed in order based on the date they were added to the waitlist.

When we review the list:

- Any time an opening is available
- Every July during our annual review

Who manages the process:

The Preschool Lead works closely with district and office staff to ensure the process is fair and accurate.
