Message From the Superintendent

WOW! How did the first month of school pass so quickly? So many fantastic things have happened so far. We have enjoyed having the students back on campus and seeing their wonderful, smiling faces. There are wonderful things happening in the classrooms and so much learning happening. Parent - Teacher conferences are this month, and mid-quarter grades will be going home. Don't forget to sign up for conferences so that teachers can share all the great things your children are participating in. Download Classdojo to stay current on special events and communication with teachers. We appreciate all of our families' support in creating a supportive environment for our students. We could not do it without our families' support! You are our ACE of hearts!

Thank you, Mrs. Wheeler
